Louisa County Schools Receive Training and Equipment from QuickStart Tennis of Central Virginia

Charlottesville, Virginia (8/6/2010) – QuickStart Tennis of Central Virginia, Inc. (QCV) recently trained all PE teachers in the Louisa County Schools and awarded equipment grants to Jouett, Moss-Nuckols, Thomas Jefferson and Trevilians Elementary Schools and Louisa County Middle School. These equipment grants were made possible by a grant to QCV from the Louisa County Community Fund earlier this summer.

Lynda Harrill, QCV's QuickStart Coordinator, says, "The pictures at this training session tell the story. This was the most enthusiastic (and competitive) group of PE teachers we have ever trained. Best part was they knew they we're going to attend training, but they didn't know they'd be receiving free equipment. I felt just like Santa Claus!"

Through its *Jump Start QuickStart Tennis Initiative*, QCV trains, equips and supports schools, parks & recreation departments and other community organizations that are committed to teaching and running self-sustaining QuickStart Tennis programs.
