QuickStart Publishes 2020 Annual Report

Charlottesville, Virginia (10/26/2020) – QuickStart Tennis of Central Virginia, Inc. (QCV) and has issued its annual report for the fiscal year ended August 31, 2020. The report highlights the numerous activities QCV pursued over the past year to promote, develop and grow QuickStart Tennis in central and southside Virginia, and includes the organization’s annual financial statements. The report is attached and is also available on the QCV [website](#).

Lynda Harrill, QCV QuickStart Coordinator, says, “2020 has been a tremendous challenge for QCV and our country. We suspended in-person activities in early March, a few days before the governor shut down the state. The first half of our fiscal year was ‘normal’ and on track. The second half, while a sad time for us, has allowed us to focus on early childhood literacy and evaluate the pilot book grants we offered last year. Even if we can’t teach kids tennis in person, we can help them

develops reading skills and a love of reading and teach them about what tennis players eat and how they behave. Once things return to normal, we will resume our focus on physical activity, nutrition and reading, and help kids grow up to be great adults!”
